

FREE 900 CALL BLOCKING

Now you have the option to ask that your Local telephone company block all calls To 900 numbers dialed from your home or business phone.

The 900 services allow you to reach a variety Of long-distance and entertainment sources On a pay-per-call basis. But you and some other Customers may prefer to have access to these Services blocked. Blocking prevents connections to all 1-900 or 0+900 dialing. The call-blocking option is available only to those customers who are on one-party lines in exchanges, such as yours, with the central office capability to restrict these calls.

If you would like to have access to 900 numbers blocked, please fill out the attached form and return it to your local telephone company. There will be no charge to you for having the 900 calls blocked.

After the 900 access blocking begins, you may, at any time, request lifting the blocking from your phone so calls can to through to 900 numbers. Once blocking has been lifted, if you request that 900 access be restricted again, a charge will apply to reinstall call blocking.

If you have any questions about 900 call blocking, please call a customer service representative at your local telephone company's business office.
